If no, please state your country of residence.

Country

Read below to find out what to do next.

We need you to tell us which country you live in. This is because we are required to withhold tax from your royalty payment if you are a resident of a country outside of the UK. This is at the UK standard rate - currently 20%.

You can check to see if your country of residence has a treaty with the UK which allows us to deduct tax at a lower rate than 20%. Please refer to the UK tax authority - HMRC - for further information. Visit: www.hmrc.gov.uk/cnr/withholding-tax.pdf.

You can apply for tax relief on royalty payments we make to you by doing the following:

1. Complete the relevant HMRC form which can be found here: <https://www.gov.uk/tax-uk-income-live-abroad/taxed-twice> and send it to the tax authority in the country where you reside. The tax authority will then stamp and verify it and either send it onto HMRC on your behalf or they will send it back to you, for you to then forward onto HMRC directly.
2. Upon receipt HMRC will process the application and, provided it is successful, they will write to you and to DACS notifying us that we can apply the relevant treaty rate to your royalty payments.
3. You will need to renew this form on its expiry so that DACS can continue to apply the correct treaty rate.

If you are not resident in the UK, we also need to know whether or not you intend to apply for tax relief. Please choose one of the options below.

I do not want to apply for tax relief
I would like DACS to deduct tax at the standard rate (currently 20%) from my royalty payment.

I want to apply for tax relief
If you choose this option you must contact HMRC and follow the instructions as outlined above. We will place your payment on hold until we receive notification from HMRC that your application for relief was successful.
